

North Carroll Field Hockey

A program of the North Carroll Recreation Council

The North Carroll Field Hockey program is seeking sponsors for the upcoming 2010 fall season. This program provides a wonderful opportunity for approximately one hundred young girls between the ages of 5 and 14 to learn the sport and compete against other field hockey organizations from Carroll, Harford, Baltimore, and Howard Counties. Your sponsorship will be used to purchase items critical to the success of our program. Sponsorships like yours are essential in our continuing effort to provide a quality and safe environment for these young athletes.

Our girls are truly fortunate to play field hockey in the North Carroll area and they represent us well, so please consider sponsoring this program so we may continue to represent our community in this great sport for many years to come.

This year, we are offering multiple sponsorship levels to choose from. Detailed descriptions are provided in the table below:
